Dear Dr. Lederberg:

I wish to express my appreciation to you for taking some much of your valuable time to participate in our peer review of the report of the Social and Economic Committee of the Food Safety Council. Although the Committee will be using your comments in the discussion for their specific purpose in revising their report, I also found the comments to be very helpful in my job of integrating their report along with the report of the Scientific Committee. As Paul Hopper promised, I will send you copies of the report of the Scientific Committee when it is published on or about June 15th. If I can be of any assistance to you, please do not hesitate to call upon me.

Sincerely,

J. B. Cordaro
